

I am Jhanvi Bhatt

I observe, I research, I learn

I am...

I am a visual communication designer, passionate about crafting **purpose-driven** and **research-based works**. As a dedicated explorer, I innovate to enhance audience experiences through strategic use of colors, typography, and layouts. **Eager and adaptable**, I thrive in diverse collaborations. Beyond design, I enjoy reading, live sketching, journaling, writing, calligraphy, gardening and find solace in the healing power of music.
